10 New Stores To Be Built

C of C Asks Men's Club Aid As Rules Are Changed

The Lemon Grove Men's Club Friday voted to give up its status as an "eating club" and to take action on community matters after a spirited discussion.

In so doing, the club abandoned a 25-year-old policy. Ernest Newton, secretary-treasurer of the club offered an amendment to the by-laws making it possible for the club to act. The issue passed by a four to one majority.

The club immediately endorsed an assembly bill which would hold school district taxes for the retirement of local school bonds to 40c. An original state bill had set that rate for impoverished districts but by "interpretation" the maximum had been exceeded.

George Casteel, the immediate past president, said the club was originated in the late 20's for the purpose of fellowship and discussing community matters. "We gave assistance to worthwhile community projects but we didn't endorse them," Casteel said. "We held it to a free-wheeling, informal affair where everybody had an opportunity to express his opinions and get information on matters of interest to the community."

Bert Betts, present president, said that the next item to come up for discussion is the Chamber of Commerce. "The chamber has petitioned the club for assistance and the club will decide on that Friday," he said.

All men may attend the organization without invitation. There are no dues. The club meets each Friday at Michael's.

Women Voters Unit Meets Monday

The Foothills Evening Unit of the League of Women Voters will meet at 8 p.m., Tuesday at the La Mesa Junior High School Fireplace Room. Mrs. Hill will lead the discussion of "Freedom of Speech" and Mrs. Rebecca Carter will be resource person. The Foothills Day Unit will meet at the home of Mrs. Jack Chambers, 5511 Pennsylvania Ave., La Mesa, 12:30 p.m., Monday, March 14 with Mrs. Block as discussion leader and Mrs. Crouch, resource. This is the third in a series of four meetings on "Development of Understanding of the Relationship Between Individual Liberty and the Public Interest." Meetings are open to the public.

Condemnation of West Property for School to Stand

Condemnation proceedings for the West property at Palm and Troy Streets, will stand, the Lemon Grove Elementary School Board decided Monday night.

Developers of the property, the Jaffe Brothers, made a plea for negotiations to take place between the board and themselves. The board instructed Superintendent Netzley to acquire the property by purchase if it could be done at a fair price.

The Citizens Committee on School Costs which had strenuously objected to the purchase of the property, reversed its stand and filed a report commending the school board on its action. The report was read by Dr. Frank Gigliotti.

The next school board meeting has been advanced to Monday, March 7. It was originally scheduled for March 14. Selection of an insurance broker will be made at that time.

Development of a bank of ten new retail outlets at the east side of Lemon Grove's present business district in the 7900 block has started and ground will be broken within about 45 days, it was announced today by Charles Kerch, leasing agent for Curtis Coleman Associates, property developers.

The $175,000 development will extend east from the Sprouse-Rietz building; up to but not including the Salvation Army Building at 7931 Broadway. This area will house seven stores. Another bank of three will then be built east of the Salvation Army building.

The property is owned individually by Gerry Champ Jr. and David Sapp, a San Diego builder. Champ, a San Diego advertising executive, recently purchased the two buildings on the west side of the Sprouse Reitz firm. Sapp has been planning a development since early last year on his property but had awaited more definite action on two major shopping centers which has dominated the local business scene for the past few months.

Kerch said that the demand for commercial property in Lemon Grove had dictated the starting of the project. "In my opinion there is a great need for more variety in mercantile outlets here. A more complete shopping district attracts more shoppers, and we feel that our ten locations will be helpful to local business," Kerch said.

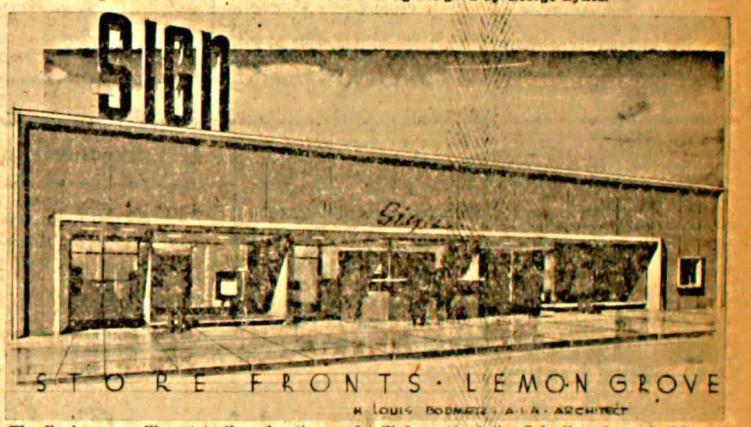
George Lykos is the architect for the first six locations; H. Louis Bodmer is designing the final three.

The plan for building calls for one bank to be completed before the other starts but Kerch said conditions might alter the situation as the demand grows.

The Salvation Army building will be remodeled sometime during the development, Kerch said.

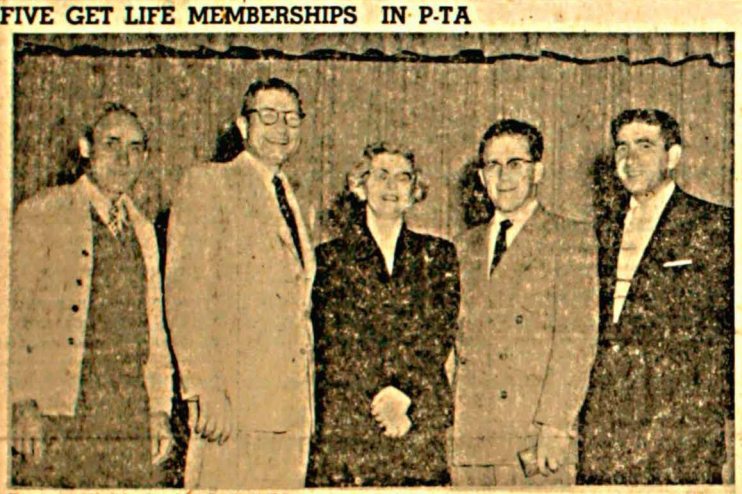
This is the bank of shops to be started first, according to Curtis Coleman Associates. Three locations, with lots of glass and lighting, will be the features. David Sapp is the owner. George Lykos is the architect. The localtion is east of Sprouse Rietz in Lemon Grove.

The second group will contain four locations and will be between Sprouse Rietz and the Salvation Army building in the 7900 block. These two are being designed by George Lykos.



The final group will contain three locations and will be east of the Salvation Army building. H. Louis Bodmer is the architect. This bank of buildings will differ in appearance from the others but all will be single story construction and feature large glass areas.

FIVE GET LIFE MEMBERSHIPS IN P-TA



Honorary Life Memberships in the P-T.A. were awarded during the past weeks to Harry Butler, Clarence Allen, Evelyn Lauritzen, Robert Sutton and Michael Calderone, school personnel all.

Each year similar awards are made by the P-TA to persons who have done outstanding community, youth and church work.

By MRS. FRANK ARMSTRONG

Each year, to mark the founding of Parent-Teacher Associations, the various P-TA organizations have the opportunity to purchase an Honorary Life Membership for $25 which they may confer on worthy individuals who have shown outstanding work with children, for their community or church. This $25 is added to a scholarship fund maintained by the National P-TA for use by worthy and needy individuals in the field of education.

Golden Avenue School awarded Mrs. Evelyn Lauritzen, their principal, this membership for her immediate willingness to assist in any project for the betterment of her community. Every parent looks to her for guidance and all teachers under her work willingly for her. She has assisted in March of Dimes, Community Chest (which cost her a dented side door to her car), Red Cross and Swimming Pool Committee. She is secretary to the Business Women's League, as well as a P-TA board member. She and her husband have raised three children and have built their own home at 303 Crane St. She attends the Congregational Church and is a graduate of San Diego State College holding a Master's degree in Administration from Claremont Graduate School. All 578 children in her school know and love her tremendously.

Monterey Heights School awarded their membership to Michael Calderone, fourth grade teacher of Vista La Mesa, for his untiring efforts on behalf of children. He has worked diligently on the summer recreation program and has been active each year in the March of Dimes. He was married December 27 of last year. He holds a Bachelor of Arts degree from Los Angeles State and Bachelor of Science from Columbia as well as three years' medicine. He is a volunteer fireman and is always surrounded by children wherever he goes.

San Miguel School presented Robert Sutton, their principal, with the Honorary Life Membership for his excellent work in civic affairs and for benefit of the children in the community. He has been chairman of one of the Halloween carnivals, participated in March of Dimes each year, chairman of United Success

Red Cross Goal in Lemon Grove is $2,250

The Lemon Grove branch of the American Red Cross launched its annual fund campaign this week with its sights set on a goal of $2,250—just $18 more than was collected here in last year's Red Cross campaign.

Arthur Thomas, overall fund campaign chairman for the Lemon Grove drive, said, "The campaign quotas for the various communities of the county have been fixed in relation to population. Ours is one of the smaller goals in the county, but that doesn't mean it will be one of the easier quotas to meet. We want to be successful here because we know that to continue its tremendous work the Red Cross needs a successful campaign everywhere. But we still need campaign volunteers. And we know our drive can meet with success only if all of Lemon Grove opens its heart to the Red Cross appeal."

Thomas said the countywide goal of the San Diego County Chapter of the Red Cross is $450,555. He pointed out that even the smallest communities in the county are participating in the drive, and listed the following quotas for the major communities:

Carlsbad	$ 1,850
Chula Vista	13,086
Coronado	11,300
Del Mar	1,880
Solana Beach	1,130
El Cajon Valley	5,030
Escondido	6,300
Fallbrook	3,400
La Jolla	35,520
La Mesa	8,000
Lemon Grove	**2,250**
National City	5,500
Oceanside	6,000

Rancho Santa Fe	3,996

Grossmont Hospital To Open in August, To Cost $21 Square Ft.

Construction of Grossmont Hospital, scheduled for opening in August, is being accomplished at a cost far under average in California, yet is attracting nationwide attention for the modern improvements being incorporated in the building, Louis M. Peelyon, administrator, told Lemon Grove Rotarians Monday.

Hospital bids in recent months have gone at prices from $28 to $35 in California, but Grossmont Hospital costs are averaging $21 per square foot, Peelyon said.

The 108-bed hospital will employ from 135 to 160 persons, with a starting payroll of about $46,000 per month, and using $20,000 per month in supplies, the speaker said.

When the hospital reaches the "break even" point, which Peelyon predicted it would do if occupancy is around 80 per cent, it is probable that a preferential low rate for hospitalization will be granted to residents of the hospital district. The law specifically permits such a preferential rate in district hospitals, he said.

At present the tax rate in the district is 20 cents per $100 valuation, 11 cents of which goes to pay the bonded debt interest and principal. The board of directors could have levied a 20 cent rate plus the 11 cents for bond redemption, but has made every effort to keep costs down and maintain the low tax rate, he said.

Residents of the hospital district will have a priority on beds at the hospital, but patients from outside the district will be accepted when beds are available. This is desirable both from the humanitarian standpoint, and also to maintain maximum use of the facilities and lowest possible per-patient costs.

Most modern temperature and humidity control and other vital equipment in the surgical and technical section will assure that the finest in care will be available at the hospital, Peelyon said.

Woman's Club to Honor New Members

The Lemon Grove Woman's Club will honor their new members with a tea at their regular meeting on Friday, March 11, at 1:30 p.m.

Hostesses for the occasion will be Mrs. A. C. Bourquin, chairman, Mrs. R. H. Cury, Mrs. D. D. Lairsey and Mrs. George Nietmann. The decorating committee will be Mrs. Fred Johnson and Miss Clara Sonka.

Members of the club are kept busy these days planning fancy desserts for the Junior Club's fashion show, checking on the plastic hearts they distributed throughout the community for the Heart Fund, and collecting articles for their Rummage Sale

The Dimmer VIEW

By MAX GOODWIN

I was reading in one of the national magazines the other day about a California father advising his son to "never work for anyone."

The son took papa's advice, formed a band in college, saved enough dough from his efforts to invest in oil leases after he graduated, struck rich oil deposits in Huntington Beach, a neighboring northern city, and is counting his bankroll with a comptometer. At the age of 34 he has become an oil tycoon.

I'm for youngsters showing their ability and willingness. It isn't altogether bad for them to let their precociousness show through, if they have some. I hand it to this youngster for taking ole' Dad's advice and making a mark for himself.

This might be a dangerous plan, however, if everyone tried it. First, junior has to reconcile himself to the belief that papa isn't a bum. That will take a reversal of thinking in many cases. Then, junior must have a little something to go on. Not all youngsters have the commodity that assures success in a business venture.

As an example, a newspaper hires a goodly number of young men in their high school years. They come to us in all shapes and sizes and in various degrees of mental awareness. We take a personal interest in every youngster who wends his way through our newspaper plant and we try to integrate him into the society of wage earners in such a way that he will not be an odd-ball when his schooling is over. We also try to teach him to take orders as a man, as far as his ability to fit into the wage-earner picture is concerned, and perform the same with dignity.

We have taken on boys who were so timid they couldn't take instructions without first being ordered to stand still and stand up. We've also had some who were so smart-alecky that only by a reasonable amount of constraint on my part did they avoid a spanking.

Then we have the good workers, who are sincere and loyal, like the ones we have now, naturally.

Anyhow, this makes a point that might well be taken. In our opinion not all youngsters can be self-employed successes. Some of them may never be successful even as an employee. But those who work in this, or any other newspaper shop during those formative years of middle high school are almost without exception sent back to their parents better young men for the association.

I'm proud of my charges and I'll bet there are several who will be such successes in the next decade, as they reach full maturity, that I'll be proud to say in public print "He once worked on my newspaper."

Music Parents Club Plans Awards Dinner

An important meeting, perhaps the most important one of the school year, will be held by the Music Parents' Club in the music room of the Lemon Grove Junior High at 7:30 p.m., March 7. At this meeting plans will be laid and committees appointed for the annual award dinners to be held on the following dates: vocal groups on May 18, and instrumental groups on May 25.

These awards are given each year to the graduating eighth graders who have been outstanding in their musical achievements throughout the year. This is a long anticipated and very important event for these young musicians and to make it a successful and happy event long to be remembered, takes the combined efforts of all the parents. It is sincerely hoped that many more parents than the "faithful few" will turn out for this next meeting and be willing to serve on the many committees that are needed to put on these dinners.

The musical part of the evening will be provided by the clar-

!THE SHOW'S, THE THING!

By BOB TURNBULL

Two enjoyable movies, "Athena" and "They Rode West," will play three days through Saturday at the Grove Theatre, at the same popular prices.

"Athena" is a gay musical with an unusual setting, wrapped in colorful trim and containing a series of lilting tunes and interesting dances. "Athena" stars Jane Powell, Debbie Reynolds, Virginia Gibson, Edmund Purdom, Vic Damone, Louis Calhern and Linda Christian, and is pleasant family entertainment. The story deals with a young attorney's romance with the daughter of a health-faddist whose family wears unusual clothes, frowns on the devouring of meat and sports several revolutionary ideas about hygiene. All this adds up to clever jesting and off-beat dance routines. The musical numbers are spirited rather than physically opulent. The six sisters in the health-faddist's family are pretty with the Misses Powell and Reynolds contributing the bulk of the song-and-dance chores. Damone sings some numbers also. The tinting, which is Eastman Color rendered in a print by Technicolor, is pleasing and makes the most of the unusual sets accorded the headquarters of the health-faddist and his tribe of merry Atlases.

When Purdom, running for political office, meets up with Miss Powell, his chance for winning grows slim. Miss Powell's family turns out to be peculiar. Damone, Purdom's friend, mean-the-while, falls in love with Miss Reynolds. Purdom splits with Miss Powell when she embarrasses him at a social affair but a reconciliation takes place when Miss Powell decides to live a normal life. A double wedding appears on the wind, with Damone and Miss Reynolds as the second couple, coupled at the altar. "They Rode West" stars Robert Frances and Donna Reed.—B. T.

Highway 94 Club Hears Bird and Luckenbach Discuss Roads Future

More than 250 people (several from Spring Valley) enjoyed the hospitality of the Highway 94 Club, at the Barrett Junction Cafe, last Thursday night. A pot luck supper was served before the meeting, the main dish, "Cupino," a combination of halibut, lobster and shrimp, cooked Italian style. This delicacy was prepared by Tom Smith, formerly with the State Fish and Game Department.

Several guest speakers were present: Capt. Porter of the 11th Naval District Public Works Department, who also represents the Commandant of the District. He spoke on the importance of military highways in the area.

Ralph Luckenbach, of the State Highway Department, and Supervisor Dave Bird both spoke on future highways in this area.

Four guests from Tecate, Mexico were present: Senor Santana, Mayor of Tecate, his son Frank, Raul Gonzales, highway engineer of Lower California, and Wm. Patino, of the Palicio Municipal at Tecate.

Jean Eskride, dance instructress of Spring Valley was there to put on her usual splendid entertainment. With her troupe were: Mickey Gist, Sherry Lawhorn, Diane Benton, Shirley Berry and Sharlene Barker. Pianist was Vern Clark of Spring Valley.

William Doughman, president of the S. V. Chamber of Commerce represented Spring Valley.

L. G. Heart Fund Hits $274 of Its $900 Goal

"It's still not too late to make your Heart Fund contribution," W. Earl Smart, Lemon Grove area Heart Fund chairman urged today after announcing that Lemon Grove's 1955 Heart Fund campaign has — so far — reached less than one third of its goal.

"Of the $900 asked from Lemon Grove area residents to continue this vital research, education and community service to combat the greatest killer of all, Smart said, "we have received only $274.85 so far. Unless the efforts of our medical and scientific men are to be stalemated, the people of Lemon Grove must come to the rescue with contributions."

One out of every 15 persons in this area, Smart says, is stricken or will be affected this year by heart disease, the most fatal and crippling of all human ailments.

Smart called upon the residents of this area to give immediate support to the campaign. "We hope the mail this week will bring enough contributions to raise our community's total to the original goal of $900." Smart requested that all residents who have not yet done so, to mail their contributions to the San Diego County Heart Association, 1651 Fourth Ave., San Diego 1.

First National Sets 71 Year Record In Earnings

Adding a footnote to First National Trust and Savings Bank of San Diego's annual report, Manager Jack W. Koop of the Lemon Grove branch said this week that substantial gains in all phases of the local branch operations were realized in 1954.

In the annual report, presented by Anderson Borthwick, president, a record year of growth and development was reviewed and national and local business conditions were features. The 32-page booklet reported all-time year-end highs were reached in deposits and loans, and net earnings were greater than at any previous time in First National's 71-year history.

Mr. Koop said that the growth was mirrored locally by a substantial increase in all activities here. He also pointed out that substantial gains are expected at First National's Lemon Grove Branch when it moves into a new building on the corner of Golden and Imperial Avenues sometime this year.

He added that in addition to adequate interior space for both customers and employees, a drive-in window has been planned for greater convenience and faster service. A large, surfaced parking lot will extend along Golden Avenue to the rear of the bank as far as School Lane.

The Lemon Grove construction is one of three new First National branch offices to be opened this year, raising the total to 13 branches plus the main office. Architect Frank L. Hope has completed tentative plans for the new structure. They are now being reviewed by First National officials.

Other highlights of the annual report included an announcement that the bank experienced an increase of more than 5,000 new commercial and savings accounts over the previous year, bringing the total to 101,184.

First National's capital funds reached $8,958,524.66, a 125 per cent incerase since 1944. Loans aggregated $55,070,642.08; net earnings were $1,190,674.37; and total resources were $164,772,452.54, all substantial gains over the previous year.

Sponsors of the banquet are the board of supervisors of the county; the Agriculture and National Resources Committee of the S. D. Chamber of Commerce, and the Forestry Study Group.

W. S. Rosecrans, chairman of the state board of forestry will make the address. Tickets, including dinner and tip, are $2.25.

HELIX CHOIR TO OFFER PALM SUNDAY PROGRAM

The Helix Highlander Choir will present the "Seven Last Words of Christ," Palm Sunday, April 3, at the First Baptist Church in La Mesa. This religious oratorio, based on scriptures dealing with the crucifixion, will be presented at 3 p.m.

In the first year of Helix High's existence, the choir and chorus gave a spring concert. Last year two performances of the "Fortune Teller," Victor Herbert's musical comedy, were presented. This year the Highlander Choir is offering a more serious presentation, said Mr. Robert Rue, choir director.

A select group from the Helix Symphonic Orchestra will accompany the choir. Nancy Lindberg will accompany on the piano and Jo Lynn Fleishman on the organ.

Rehearsals for the presentation began after Christmas holidays. Tryouts for solo parts in the oratorio are being held now. Choir members auditioning for solos are: Dennis Baker, Judy Bledsoe, Art Bunch, John Castiglione, Bob Cullmer, Richard Crittenden, Lillian Good, Judy Hoffert, Patty Ingle, Janice Jowett, Richard Knapp, Jackie Lairsey, Dennis Lees, Virginia McIntire, Jerry Mulder, Ronnie Palermo, Donna Parker, Laverne Pierce, Carol Seering, Kathy Sperry, Ronnie Svalstad, and Margaret Waymire.

Only one performance will be given unless ticket sales go beyond expectations and command a second performance.

S. D. ATTORNEY ADDRESSES D. T. A.

Similarities in all recognized professions were stressed last Thursday night at a panel discussion in the junior high auditorium when professional representatives spoke to members of the Lemon Grove District Teachers Association. Beginning at 7:30, the program featured a panel which discussed training, disciplining, and recruiting within the ranks of law, ministry, and education.

Bob Offord, vice president of the association and program chairman, introduced Wallace Dorman, San Diego attorney, J. Ogden Hoffman, minister of St. Dunstan's Episcopal Church, San Diego, and Gordon Shields, president of San Diego County Teachers Association. Byron L. Netzley, district superintendent, was panel moderator.

TOM WEIST NAMED HEAD OF LEVIS AND LACES

In a hotly contested election last Wednesday night, Levis and Laces placed Tom Weist in the president's chair for the next six months. Other elected officers were Harriet Baumgarten for vice-president, Joyce Foss, recording secretary, Ann Ott, corresponding secretary, with Arlene Fisher remaining in the office of treasurer. Beth Wentzel and Del Diercks are the newly-elected board members with Agnes Lizama and Ralph Sargent remaining on the board.

This Saturday night, March 5, will mark the first birthday of the club. A gala party has been planned, to be held at the Lemon Grove Junior High School Cafetorium. H and H Tune Twisters will furnish the music and various entertainment features are being planned. Door prizes will be given and the evening will be concluded with a delicious supper.

Members of the board of directors are hosting the birthday party which promises to be the best of square dance parties given in the Heartland area. All square dancers are cordially invited to help the Levis and Laces celebrate their first anniversary.

New members of the club who have joined since January first include John and Clara Greer, Charles and Lorraine Green, Tom and Greta Cureton, and Dees and Helen DeLong.

Where Do We Eat?

By THE CONNOISSEUR

The boss assigned me to get on the gourmet trail and track down, by taste alone, some of the more interesting restaurants and describe the piece d' resistance of the establishment.

George Solimine, being an old friend of mine, was the first restaurant owner I visited. Old George was as dependable as ever. He had the delicacy on the menu that was just what the boss had admonished me to look for. It was a Rock Cornish game hen and was served with wild rice.

Just what is this Rock Cornish bird? It is a hen in miniature. It's no bigger than a quail but it tastes more domestic. Solimine broils it to a golden brown with a saute of fresh mushrooms.

Actually, the bird is a mutation of several types. They took a Malayan fighting cock and crossed it scientifically with other more domesticated birds until the right size and taste was achieved. The Rock Cornish hen weighs from 14 ounces to a pound and a half. It tastes like squab or partridge, or maybe like a woodcock or pheasant, we couldn't be sure, but we were certain we liked it.

The birds are bred at Pomfret Center, Connecticut, and, as Solimine pointed out, they have not been available hereabouts until now.

"You'll find them at restaurants catering to gormets," George said. "So far as I know, we're the only establishment that has them on the menu so far."

Solimine's Restaurant is at 48th Street on El Cajon Blvd.

inet quartet, composed of Howard Bryant, Grace Weaver, Nancy Sima, and Danny Dawson. Refreshments will be served following the meeting.

Also of interest to music parents are the Music Festivals, the first of which will be held March 11 and 12 at Hoover High School. The Lemon Grove band, orchestra and ensembles will perform on both days. On March 19 at 10 a.m. at the Russ Auditorium a festival for the vocal groups will be held. At this time, the Green and Gold Robed Choir and the Girls' Double Trio will sing. Let's turn out and applaud the efforts of these children.

Drive, sponsor of Father-Son banquet at his school, active in Swimming Pool committee, chairman of youth committee of Kiwanis, member of Board of Christian Education of Congregational Church. He holds a Bachelor of Science and Master's degree in Education from San Diego State. The 550 children in his school look upon him as a friend and counselor. He will be an exchange principal in Hawaii next school year.

Vista La Mesa gave their principal, Clarence H. Allen, their award. He has been with this school three years, is active in Vista La Mesa Civic League, member of Swimming Pool committee, Chairman of Social Action Committee of Congregational Church, and is very active in their P-TA organization. He has instituted a two-weeks course at the beginning of the school year for the students in safety and health. He has a Bachelor's degree from Morehead State College in Kentucky and has a Master's degree from San Diego State and is a member of Phi Delta Kappa. All 530 pupils under him can count on him for support and help whenever needed.

Lemon Grove Intermediate School awarded their life membership to Harry Butler, eighth grade teacher, for his sincere interest in children. He has taught in Lemon Grove Schools nine years and is always entirely dependable in anything he undertakes for the children. He is always present at any children's evening functions. He has given an extra hour every school day before school begins to any student that wants to come to him for extra help of any kind. He has charge of the graduation ceremonies each year. He has received his bachelor's degree from San Francisco State although he attended the University of Berkeley four years and was a member of the Golden Bear Society there.

It is certainly an unusual happening to have the memberships go to people of the educational field at each school but it does show the esteem in which these people are held by the general public. Inasmuch as Ben Schei and Art Thomas had already received HLM previously this year's presentations complete the list of principals in this district.

DANCIN' DUDES DANCE IN NEW DANCE HALL

The Dancin' Dudes had the first dance in their new hall, the American Legion Hall in La Mesa, last month.

A large number of guests and members were present. Guest callers included Juan Frank, Rae Ann Riggs, Clarence Montgomery, Ron East, Carl Sunbury and Skip Muse. Ninety three guests were present.

The hall was decorated in honor of George Washington. After a very enjoyable evening of square dancing, hot dogs and coffee were served.

We were all pleased to hear that Rita and Ted Stadther have a new son and heir. Congratulations. Sorry to hear that Rita was quite sick but glad she is now on the road to recovery.

All new square dancers, remember we're dancing at the new hall every Tuesday night except the second. That week, we dance on Wednesday, so let's all turn out for a good time.

Last Tuesday, March 1, was the graduation dance for Pete's class, which has just completed the course.

"I prefer electricity for cooking because it's so clean."

That's what the millions who cook the modern electric way will tell you.

Actually, electricity is such a clean fuel for cooking – you could literally cook in white gloves . . . and keep them clean.

And cleanliness is just one of electricity's great cooking advantages.

It's cool . . . and quick . . . economical . . . automatic . . . and these are but a few of the reasons why you should buy a sparkling, clean, brand new automatic electric range.

See your dealer now . . . let him prove to you that for cooking, electricity is as clean as clean can be. And he'll sell you a new electric range on easy terms – ask him.

Science Does The Housework At MAYFAIR

Lenten dishes will grace the tables of a great number of our shoppers. This, naturally, calls for a re-arrangement of some of Mayfair's displays and gives us a chance to show how versatile our display department can be.

We noted with pride that grouped together are the things that go to make up a taste-tantalizing menu, as we have pictured above. What's more, all the menu aids, designed to make your Lenten kitchen chores lighter, are available. For your Lenten season meal planning, make Mayfair your first stop.

One of the advantages of living in this modern age is that science has developed ways to lighten the load of the housewife. Frozen foods take the drudgery out of the kitchen and puts it in a clinically clean modern factory where frozen foods are processed.

PICTSWEET Frozen Foods, in co-operation with MAYFAIR MARKETS, has set up a gigantic promotion which we hope will make frozen food converts of many Lemon Grove housewives.

Quantities were never so great, prices were never so low. The quality?...as usual, the tops, which is one of the things Mayfair has become famous for.

Robert and Betty Strand, he of the sheriff's office, live in Lemon Grove at 7343 Carmenita St. It takes a lot of shopping for their family of five, but they do it all at Mayfair, they say. "We like the convenience, cleanliness and low prices," Mrs. Strand said.

Their family includes Carolee, 5; Marlene, 4, and Michele, 2.

Here's a good recommendation for any market: "We like Mayfair because it is close to everything; because the food is the best we can find, the prices are lowest, there's plenty of room to shop and plenty of room to park."

That's what Mr. and Mrs. William Haines of 402 63rd St. thinks of us. We think that Mr. and Mrs. Haines use good judgement. He is an electrician with the Navy.

Methodist Men To Hear District Attorney

District Attorney Don Keller will be the special guest speaker at the Monday meeting of the Lemon Grove Methodist Men's Club. The district attorney will talk informally on the duties of his office and particularly on the problems of juvenile delinquency prevention and law enforcement.

Members and friends of the club will have a chance to ask questions during an open discussion which will follow Mr. Keller's remarks.

This special meeting is open to friends and guests. Anyone desiring to attend is urged to contact Jim Clavell, club president, (HO-6-2575) or Reverend Don Cooke (HO 9-7862).

The meeting will be held at 6:30 p.m. at the home of Fred Ward, 3346 Sweetwater Road. A potluck supper will start the evening. A short business meeting, fellowship singing and a devotional will set the mood of the evening.

All Methodist men and their friends are urged to attend.
